

- (a) Show the red-black trees that result after successively inserting the keys 21, 5, 18, 25, 13, 11, 41 into an initially empty red-black tree.
- (b) Use the red-black tree resulting from the previous problem. Show the red-black trees that result from the successive deletion of the keys in order 21, 5, 18, 25, 13, 11, 41.

(1-a). 結果正確但沒有過程 -3

(1-b).
